Subject: FW: Update- Re: Trucks back on Metcalf blocking two lanes as of this morning
Attachments: IMG_7892.mov

Trucks and vehicles are taking over Metcalfe as I write this message to you. Residents who reside on Metcalfe at Lisgar who were the victims of an attempted arson are growing increasingly frightened. Is there a plan to provide police protection to the residents of this building? They continue to receive threatening and harassing taunts from the violent occupiers. Could you please advise on what measures are being taken to manage and diffuse this dangerous situation?
Thank you
Catherine McKenney

Cc to my colleagues in the urban core who are also impacted by this occupation.

They are quickly multiplying in numbers with cars now being added since I first saw them at 9am

Here are videos and footage from another neighbour.

As well this was their report of them walking by the convoy which I was given permission to share anonymously.

"I saw a group of about 6-8 people at 8:30 in the parking lot by Somerset and one had a black megaphone. They started walking down this way on Metcalfe."

Thank you Catherine

Thank you so much.

My neighbour might also be emailing you to share that they've already honked at them today as they walked past.
